Date : 20th July 2022

**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT
PROCEDURE) (ENGLAND) ORDER 2015**

NOTIFICATION OF GRANT OF PLANNING PERMISSION

Take notice that the Council of the London Borough of Bromley, in exercise of its powers as local planning authority under the above Act, has **GRANTED** planning permission for the development, referred to in your application received on 21st March 2022 as amended by documents received on 29.05.2022 19.05.2022

at : 21 Bromley Avenue Bromley BR1 4BG

Proposal: Demolition of existing building and construction of two storey (lower ground and ground floor) 2 bedroom dwelling on land to rear of No. 21 Bromley Avenue, accessed from Madeira Avenue with associated pedestrian access, car parking, landscaping, cycle and refuse storage.

Subject to the following conditions **and for the reasons set out below:-**

1. The development to which this permission relates must be begun not later than the expiration of 3 years, beginning with the date of this decision notice.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990

2. The development hereby permitted shall not be carried out otherwise than in complete accordance with the plans approved under this planning permission unless previously agreed in writing by the Local Planning Authority.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interests of visual and residential amenity.

3. No development shall commence on site (including demolition) until such time as a Construction and Environmental Management Plan has been submitted to and approved in writing by the local planning authority. As a minimum the plan shall cover:

- (a) Dust mitigation and management measures.
- (b) The location and operation of plant and wheel washing facilities
- (c) Measure to reduce demolition and construction noise
- (d) Details of construction traffic movements including cumulative impacts which shall demonstrate the following:-
 - (i) Rationalise travel and traffic routes to and from the site as well as within the site.
 - (ii) Provide full details of the number and time of construction vehicle trips to the site with the intention and aim of reducing the impact of construction related activity.
 - (iii) Measures to deal with safe pedestrian movement.
 - (iv) Full contact details of the site and project manager responsible for day-to-day management of the works
 - (v) Parking for operatives during construction period
 - (vi) A swept path drawings for any tight manoeuvres on vehicle routes to and from the site including proposed access and egress arrangements at the site boundary.
- (e) Hours of operation
- (f) Other site specific Highways and Environmental Protection issues as requested on a case by case basis
- (g) The development shall be undertaken in full accordance with the details approved under Parts a-f

Reason: Required prior to commencement of development to ensure sufficient measures can be secured throughout the whole build programme in the interests of pedestrian and vehicular safety and the amenities of the area. In order to comply with Policies 30, 31, 32 and 119 of the Bromley Local Plan and in the interest of the amenities of the adjacent properties.

4. Prior to the commencement of the development hereby approved, a soft landscaping plan, including the planting of at least x1 tree between the building itself and Madeira Avenue, min 2m height at the time of planting and of a species with a minimum 10m height in maturity, shall be submitted to the Local Planning Authority for approval. The soft landscaping plan shall include details of hedging to the western and northern boundaries of the site which shall include mixed native species. Following approval planting or tree(s) and hedging in accordance with approved plan shall be completed prior to first occupation. Any tree planted as a requirement of this condition shall not be pruned, uprooted, moved or felled within 5 years of planting. Any tree planted as a requirement of this condition that becomes non-viable within 5 years shall immediately replaced like for like.

Reason: Required prior to the commencement of development in order that the Local Planning Authority may be satisfied that the work is carried out in accordance with the approved details pursuant to section 197 of the Town and Country Planning Act 1990 in accordance with Policies 72, 73 and 74 of the Bromley Local Plan

5. Prior to the commencement of the development hereby approved (including the arrival of machinery and materials and all preparatory work), tree protection measures in accordance with the approved tree protection plan shall be installed. Such measures shall not be moved or removed, but shall be retained in situ until completion of the development and all materials and machinery have been removed from the site, unless otherwise agreed in writing by the Local Planning Authority.

Reason: Required prior to the commencement of development in order that the Local Planning Authority may be satisfied that the trees to be retained will not be damaged during development works and to ensure that, as far as is possible, the work is carried out in accordance with the approved details pursuant to section 197 of the Town and Country Planning Act 1990 in accordance with Policies 73 and 74 of the Bromley Local Plan

6. Prior to commencement of development (excluding demolition) details of the proposed slab levels of the building(s) and the existing site levels shall be submitted to and approved in writing by the Local Planning Authority . The development shall be completed strictly in accordance with the approved levels.

Reason: Required prior to commencement in order to ensure that a satisfactory form of development can be undertaken on the site in the interest of visual amenity and to comply with Policy 37 of the Bromley Local Plan

7. (a) Prior to commencement of the development hereby approved (excluding any ground clearance or demolition) a scheme for the provision of surface water drainage shall be submitted and approved in writing by the local planning authority.

(b) Before the details required to satisfy Part (a) are submitted an assessment shall be carried out of the potential for disposing of surface water by means of a sustainable drainage system (SuDS) to ground, watercourse or sewer in accordance with drainage hierarchy contained within the London Plan Policy SI13 and the advice contained within the National SuDS Standards.

(c) Where a sustainable drainage scheme is to be provided, the submitted details shall:

i. provide information about the design storm period and intensity, the method employed to delay (attenuate) and control the rate of surface water discharged from the site as close to greenfield runoff rates (8l/s/ha) as reasonably practicable and the measures taken to prevent pollution of the receiving groundwater and/or surface water

(d) The drainage scheme approved under Parts a, b and c shall be implemented in full prior to first occupation of the development hereby approved

Reason: Details are required prior to the commencement of any new operational development in order to ensure that a satisfactory means of surface water drainage, to reduce the risk of flooding can be achieved before development intensifies on site and to comply with the Policy SI13 of the London Plan and Policies 115, 116 and 117 of the Bromley Local Plan

8. (a) Details of parking spaces and the vehicular crossover serving the parking shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of above ground works.

(b) Such provision as approved under part (a) shall be completed before the commencement of the use of the land or building hereby permitted and shall thereafter be kept available for such use, including the provision of an active Electric Vehicle Charging Point (EVCP) as per the submitted plans.

(c) No development whether permitted by the Town and Country Planning (General Permitted Development Order) 2015 (or any Order amending, revoking and re-enacting this Order) or not, shall be carried out on the land or garages indicated or in such a position as to preclude vehicular access to the said land or garages.

Reason: In order to comply with Policy 30 of the Bromley Local Plan and to avoid development without adequate parking or garage provision, which is likely to lead to parking inconvenient to other road users and would be detrimental to amenities and prejudicial to road safety.

9. (a) Details of the proposed boundary treatments including any gates, walls or fences shall be submitted to and approved in writing by the local planning authority prior to commencement of the above ground works.

(b) The approved boundary treatments shall be implemented prior to occupation of the buildings and retained in perpetuity.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interest of visual amenity and the amenities of adjacent properties.

10. Prior to the first occupation of the dwelling hereby granted planning permission and in the light of the Bat Survey Report recommendation 2 no. integrated bat boxes shall be installed at a height of 3-5 m above ground level in the south or south-west facing elevation(s) of the dwelling, with a clear flight path to and from the entrance, away from artificial light.

Reason: In the interest of the biodiversity value of the site and to accord with the recommendations of the Bat Survey Report submitted with the application, to comply with Policy 72 of the Bromley Local Plan.

11. Prior to the occupation of the dwelling, that part of a sight line of 43m x 2.4m x 43m which can be accommodated within the site shall be provided in both directions at the access and with the exception of trees selected by or the Local Planning Authority no obstruction to visibility shall exceed 1m in height in advance of this sight line, which shall be permanently retained as such.

reason: IN the interest of highways safety and to accord with Policy 32 of the Bromley Local Plan.

12. The development hereby granted planning permission shall be implemented in complete accordance with the provisions of the Bat Survey (received 19/5/22) and Badger Survey (dated 27/5/22), with the development proceeding with a precautionary working method which shall include:

- o a site inspection by an ecologist prior to the commencement of works
- o Any excavations to be covered overnight or a ramp installed to enable any trapped animals to escape
- o A toolbox talk to be given to contractors on site regarding the possible presence of badgers

Reason: In the interest of biodiversity and to comply with Policy 72 of the Bromley Local Plan.

13. The materials to be used for the external surfaces of the building shall be as set out in the planning application forms and / or drawings unless otherwise agreed in writing by the Local Planning Authority.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in the interest of the appearance of the building and the visual amenities of the area.

14. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any Order amending, revoking and re-enacting this Order) no building, structure, extension, enlargement or alteration permitted by Class A, B, C, or E of Part 1 of Schedule 2 of the 2015 Order (as amended), shall be erected or made within the curtilage(s) of the dwelling(s) hereby permitted without the prior approval in writing of the Local Planning Authority.

Reason: In the interests of protecting the character of the area and residential amenity of neighbouring properties in accordance with Policy 37 of the Bromley Local Plan

15. No windows or doors (other than those shown on the plans hereby approved) shall at any time be inserted in the northern and southern side elevations of the dwelling hereby permitted.

Reason: In the interest of the amenities of the adjacent properties and to comply with Policy 37 of the Bromley Local Plan.

16. Prior to the installation of any air or ground source heat pump(s) details of the installation shall be provided to the local planning authority for approval, and in the case of an air source heat pump the details shall include a MCS020 assessment. Where the MCS020 assessment does not meet the noise criteria set out then full details of the proposed unit(s) and details of anti-vibration mounts and other noise attenuation measures will be required. The scheme shall be implemented as approved and thereafter maintained as such.

Reason: In the interest of the residential amenities of neighbouring residents and to accord with Policies 37 and 119 of the Bromley Local Plan.

17. In order to minimise the impact of the development on local air quality any gas boilers must meet a dry NO_x emission rate of <40mg/kWh.

Reason: To minimise the effect of the development on local air quality within an Air Quality Management Area in line with NPPF p124.

18. The arrangements for storage of refuse (which shall include provision for the storage and collection of recyclable materials) and the means of enclosure shown on the drawings hereby approved shall be completed before any part of the development hereby permitted is first occupied, and permanently retained thereafter.

Reason: In order to comply with Policy 37 of the Bromley Local Plan and in order to provide adequate refuse storage facilities in a location which is acceptable in respect of residential and visual amenity impact.

19. The arrangements for storage of bicycles shown on the drawings hereby approved shall be completed before any part of the development hereby permitted is first occupied, and permanently retained thereafter.

Reason: In order to comply with Policy 37 and Policy 30 of the Bromley Local Plan and in order to provide adequate cycle storage facilities in a location which is acceptable in respect of residential and visual amenity impact.

20. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) (Amendment) (No. 2) Order 2020 (or any order amending, revolving and re-enacting this order) no upward extension shall be erected or made within the curtilage(s) of the dwelling(s) hereby permitted without the prior approval in writing of the Local Planning Authority.

Reason: In the interests of protecting the character of the area and residential amenity of neighbouring properties in accordance with Policy 37 of the Bromley Local Plan 2019.

You are further informed that :

1 You should consult the Street Naming and Numbering Section at the Civic Centre on 020 8313 4742 or e-mail: address.management@bromley.gov.uk regarding Street Naming and Numbering. Fees and application forms are available on the Council's website at www.bromley.gov.uk

2 With regard to the laying out of the crossover(s) and or reinstatement of the existing crossover(s) a Vehicle Crossover Application will need to be made to the Highway's Department. The application fee is a non-refundable £100 pounds and the forms can be found through the webpage

https://www.bromley.gov.uk/info/200083/roads_highways_and_pavements/279/access_to_your_drive_crossovers_dropped_kerbs/2

3 You are advised that the cost of alterations to the crossover and/or relocation of the lamppost will be at the applicant's expense.

4 If during the works on site any suspected contamination is encountered, Environmental Health should be contacted immediately. The contamination shall be fully assessed and an appropriate remediation scheme submitted to the Local Authority for approval in writing.

5 The Applicant should ensure compliance with the Control of Pollution and Noise from Demolition and Construction Sites Code of Practice 2017 which is available on the Bromley web site.

6 The applicant is advised that the Environment Agency's approach to groundwater protection is available on the following link:

<https://gbr01.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.gov.uk%2Fgovernment%2Fpublications%2Fgroundwater-protection-position-statements&data=04%7C01%7Cplanning%40bromley.gov.uk%7Cf6d85e2bfdba44051d9608da17b8e7c9%7C8cc3d50b245a4639bab48b879ac9838c%7C0%7C0%7C637848380181617350%7CUnknown%7CTWFpbGZsb3d8eyJWljiMC4wLjAwMDAiLCJQIjoiV2luMzliLCJBTiI6IjEhaWwiLCJXVCi6Mn0%3D%7C3000&sdata=nN9OMUJ4NC9VKXg1%2BpdhVBvCbRDUWC1akVbTTLmOzpc%3D&reserved=0>

You may wish to discuss the implication for their development with a suitably qualified environmental consultant.

7 A Groundwater Risk Management Permit from Thames Water will be required for discharging groundwater into a public sewer. Any discharge made without a permit is deemed illegal and may result in prosecution under the provisions of the Water Industry Act 1991. We would expect the developer to demonstrate what measures he will undertake to minimise groundwater discharges into the public sewer.

Permit enquiries should be directed to Thames Water's Risk Management Team by telephoning 020 3577 9483 or by emailing trade.effluent@thameswater.co.uk .

Application forms should be completed on line via

<https://gbr01.safelinks.protection.outlook.com/?url=http%3A%2F%2Fwww.thameswater.co.uk%2F&data=04%7C01%7Cplanning%40bromley.gov.uk%7Cf6d85e2bfdba44051d9608da17b8e7c9%7C8cc3d50b245a4639bab48b879ac9838c%7C0%7C0%7C637848380181617350%7CUnknown%7CTWFpbGZsb3d8eyJWljiMC4wLjAwMDAiLCJQIjoiV2luMzliLCJBTiI6IjEhaWwiLCJXVCi6Mn0%3D%7C3000&sdata=loGNCjntfIQJ4ga%2BK1TSCmlif2uF469IEJkokSZKmU%3D&reserved=0>

Please refer to the Wholesale; Business customers; Groundwater discharges section.

Assistant Director (Planning)

On behalf of the London Borough of Bromley Council

YOUR ATTENTION IS DRAWN TO THE NOTES OVERLEAF

The Local Planning Authority is actively seeking to reduce the need to impose conditions. Any pre-commencement conditions imposed on this planning permission are necessary to ensure that the detail of the development to which they relate is carried out in a satisfactory manner and the submission of the information in relation to this is required before commencement as it would not be possible or desirable for this to happen at a later stage in relation to the specific reasons for imposing each condition.

To assist applicants the Local Planning Authority has produced policies and written guidance, all of which is available on the Council's website at www.bromley.gov.uk/planning. Through the provision of a pre-application advice service the Local Planning Authority encourages early engagement to resolve problems that can occur in relation to dealing with a planning application by providing clear guidance as to how the aims of the development plan can be achieved in a sustainable and appropriate manner in accordance with paragraphs 188 - 190 of the National Planning Policy Framework 2012.

Please note that your development may be liable for Community Infrastructure Levy (CIL). For more information please visit www.bromley.gov.uk/CIL

Approvals with or without conditions, or refusals of applications for planning permission under the Town and Country Planning Act 1990 and the Town and Country Planning (General Development Procedure) Order 2015 (as amended) and applications for Listed Building and Conservation Area Consent under the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Southern Gas Network (SGN) has asked the Council to highlight the importance of working safely near gas pipelines. The following links give clear guidance on what to do and who to contact before starting any work and how to locate pipes near to your property.

- <https://www.sgn.co.uk/damage-prevention>
- <https://www.linerearchbeforeudig.co.uk/>

If you disagree with the decision of the Local Planning Authority (LPA) to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, you may appeal to The Planning Inspectorate (PINS). This is an independent Executive Agency which provides fair and impartial decisions on appeals against LPA decisions on planning consents in accordance with Section 78 of the Town and Country Planning Act 1990 and for Listed Building and Conservation Area consents in accordance with Section 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Appeals must be made within 12 weeks of the Decision Notice date for householder planning applications and within 6 months for any other application. They must be submitted on a form, which is obtainable from The Planning Inspectorate Temple Quay House, 2 The Square, Temple Quay Bristol BS1 6PN or online from <https://www.gov.uk/appeal-planning-decision>. If an enforcement notice is or has been served relating to the same or substantially the same development as in your application, then the time limit to appeal will expire 28 days after the enforcement notice is served – except that you will have a minimum of 28 days to appeal after the right of appeal begins and the time limit will expire no later than it would if there were no enforcement notice.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority (PlanningAppeals@bromley.gov.uk) and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. See <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries> for further details.

The Secretary of State (including PINS) is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the Statutory requirements, to the provisions of the development order, and to any directions given under the order.

If planning permission, listed building or conservation area consent to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State (including PINS) on appeal, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the London Borough of Bromley a purchase notice requiring that the Council purchase his interest in the land in accordance with the provisions of Part VI Chapter 1 of the Town and Country Planning Act 1990 or in accordance with the provisions of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

In certain circumstances, a claim may be made against the local planning authority for compensation, where permission or consent is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. These circumstances in which compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990 and in Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Applications for Express Consent under the Town and Country Planning Act 1990 and the Town and Country Planning (Control of Advertisements) Regulations 2007

If you disagree with the decision of the local planning authority to refuse consent for the display of an advertisement or to grant consent subject to conditions, you may by notice served within 8 weeks of the receipt of this notice, or such longer period as the Secretary of State may agree, appeal to the Planning Inspectorate in accordance with the provision of Part 3 Section 17 of The Town and Country Planning (Control of Advertisements) Regulations 2007. Forms are available from The Planning Inspectorate Temple Quay House, 2 The Square, Temple Quay Bristol BS1 6PN or online from <https://www.gov.uk/appeal-planning-decision>.

Town and Country Planning Act 1990 (as amended). A Certificate of Lawfulness for an existing proposed use or development

If you are aggrieved by a refusal to grant, a Certificate of Lawfulness, you may appeal to the Planning Inspectorate under Section 195 and 196 of the Town and Country Planning Act 1990 (as amended).

AN IMPORTANT FOOTNOTE

Permission or approval referred to overleaf is confined to permission under the Town and Country Planning Act 1990, Planning (Listed Buildings and Conservation Areas) Act 1990, the Town and Country Planning General Development Order 2015 as amended, and the Town and Country Planning (Control of Advertisements) Regulations 2007, and does not obviate the

necessity of compliance with any other enactment, by law, or other provision whatsoever or of obtaining from the appropriate authority or authorities any permission, Building Regulation, consent, approval or authorisation which may be required.

You are reminded that the Borough Council's permission does not modify or affect any personal or restrictive covenants, easement, etc., applying to or affecting either this or any other land or the rights of any persons (including the London Borough of Bromley Council) entitled to the benefits thereof or holding an interest in the property concerned in this development or in any adjoining property.

ACCESS FOR PEOPLE WITH DISABILITIES

Your attention is drawn to British Standard and Government advice concerning means of access for people with a disability. This advice applies to educational, recreational and retail premises as well as office, factories and business premises.

RESPONSIBLE DISPOSAL OF CONSTRUCTION AND LANDSCAPING WASTE TO PREVENT FLY-TIPPING

When builders or landscape gardeners arrange for third parties to remove any waste from your property, it is their responsibility to use registered waste carriers and obtain waste transfer notes. If however you arrange for any construction or landscaping waste to be removed from your property yourself you could be prosecuted and fined up to £5,000 if you do not use someone who is a registered waste carrier. Find and check registered waste carriers online at www.bromley.gov.uk/wastecarriers or call the Environment Agency hotline on 03708 506506. Always obtain a waste transfer note as proof of the transfer of the waste to an authorised person.

Community Infrastructure Levy (CIL) Information Note

This application is considered to be liable for the Mayor of London's Community Infrastructure Levy (CIL). The CIL is a planning charge levied on net additional floorspace arising from new developments or creation of new dwellings (including through a change of use) in order to fund infrastructure to support development in the local area. The Council acts as collecting authority for the Mayor of London who has a levy to raise money for transport Infrastructure in the London area.

The first step in the CIL process is to complete a CIL Additional Information Requirement Form or Form 5: Notice of Chargeable Development for permitted developments. All the forms underlined can be found at: <http://www.bromley.gov.uk/cil>

The CIL Team can calculate the CIL liability based on the information you provided for the planning application, however we are unable to discount existing floorspace that has been in continuous use without the above forms.

At the same time, Form 1: Assumption of Liability must be completed in order to produce a Liability Notice. This form tells us who is responsible for paying the CIL charge. If this form is not completed within two weeks of the issue of the planning decision notice, CIL liability will default to the landowner or applicant at a cost of £50. You may have already completed the forms above during the application process.

If you wish to apply for charitable or social housing relief then Form 2: Claiming Exemption or Relief should be submitted. If you are a 'self builder' who builds or commissions a home for their own occupation you may apply for exemption using Form 7: Self Build Exemption Claim Form: Part 1 for the entire home or Self Build Annex or Extension Claim Form. **Exemption forms must be submitted before commencement** of the development and will be granted relief upon receiving a Relief Decision Notice. The **Form 7: Self Build Exemption Claim Form Part 2 form must be submitted within six months of completion** or the levy will become payable.

The Council will serve a Liability Notice on the person(s) who have assumed liability to pay. It is the liable party's responsibility to notify the Council when commencement (demolition, digging for foundations and underground services and change of use) has started using Form 6: Commencement Notice. **Late notification of a commencement date will result in penalties such as the removal of eligibility for the self-build exemption, a 20% surcharge**, the removal of the 60 day payment period requiring immediate payment or CIL stop notices.

The Council will issue a Demand Notice to the liable person(s) setting out the total CIL amount payable on commencement of the development and the payment date. Please note the chargeable amount will be indexed linked. This notice will be emailed and/or posted to the liable person(s) via the contact details provided in Form 1: Assumption of Liability.

Our finance contractors will shortly afterwards send an invoice with a paying-in slip and information on payment methods following a Demand Notice. Non-payment and failure to comply with CIL procedures will result in surcharges.

The CIL liability will be registered as a local land charge against the land affected by the planning permission and will be revealed when a property search is made. CIL payment will make the charge on the register fulfilled.

Forms (underlined above) can be found at:

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

For further information or if you have any questions regarding CIL please contact us at cil@bromley.gov.uk or on 020 8313 4974.
